

# CROSS COUNTRY INVITATIONAL RESULTS

VOL: XLII No. 11

State Qualifiers Issue 2017

THE RATINGS:: This is the last set of **CCIR RANKINGS** for the 2017 Season.

There were many rematches in the regionals with more rematches at Saturday's Finals. How those rematches go and who is healthy on "the day" is always the fun part of the season. Almost all of the rated top 10 rated teams made it out of the regions. There were some teams in the Top 10 and others list that did not make it out because there were 3 other ranked teams in the same region.

**Teams are awarded points according to how they finish in the invitationals they run in, 10 points for first, 9 for second and so on. Some invitationals are weighted because of the large field and there is a minimum number of teams required in order for a team to earn rating points. The numbers in parentheses indicates the first place coach's votes/first place(s) in invitational meets. The final number is the total number of points for the school, including coach's votes and invitational points. The invitational points are cumulative over the entire season, to a maximum of eight, with only one being counted each week. If a school has more that the maximum number for that week of the season, they will only receive the invitational points for the maximum allowed for that week. Total number of invitational wins will be indicated in the parenthesis. Coaches vote each week.**

Thank you for your support of Michigan High School Cross Country. What seemed like a long season is now coming down to the Championship time.....
