

CROSS COUNTRY INVITATIONAL RESULTS

VOL: XLI No. 6

for invitationals through 9/23/17

Teams are awarded points according to how they finish in the invitationals they run in, 10 points for first, 9 for second and so on. Some invitationals are weighted because of the large field and there is a minimum number of teams required in order for a team to earn rating points. The numbers in parentheses indicates the first place coach's votes/first place(s) in invitational meets. The final number is the total number of points for the school, including coach's votes and invitational points. The invitational points are cumulative over the entire season, to a maximum of eight, with only one being counted each week. If a school has more than the maximum number for that week of the season, they will only receive the invitational points for the maximum allowed for that week. Total number of invitational wins will be indicated in the parenthesis. Coaches vote each week.
