

CROSS COUNTRY INVITATIONAL RESULTS

VOL: XXXII No. 6

for invitationals ending 9/29/07

THE RATINGS::: This is the third set of regular season rankings, the second for the girls- The ranking are based on invitationals only! Ask meet managers to get us the results- We need to have results my Monday in order for them to make that week's issue. We have had good support from meet managers getting us the results. If you do not see a meet listed here please send us the results

The boy's rankings have points are awarded according to a teams finish in the invitational, 10 points for first, 9 for second and so on- Some invitationals are weighted because of the large field and there is a minimum number of teams required, or a team is running out of their division. The numbers in parentheses indicates the first place coach's votes/first place in invitationals- The final number is the total number of points for the school, including coaches votes and invitational points- The invitational points are cumulative over the entire season, to a maximum of eight- The coaches vote each week.
