VOL: XXXII No. 7

for invitationals ending 10/6/07

THE RATINGS::: This is the fourth set of regular season rankings, the third for the girls- The rankings are based on invitationals only! Ask meet managers to get us the results. We need to have results by Monday in order for them to make that week's issue. We have had good support from meet managers getting us the results. If you do not see a meet listed here please send us the results

The boy's rankings, points are awarded according to a teams finish in the invitational, 10 points for first, 9 for second and so on. Some invitationals are weighted because of the large field or a team is running out of their division and there is a minimum number of teams required. The numbers in parentheses indicates the first place coach's votes/first place(s) in invitationals- The final number is the total number of points for the school, including coaches votes and invitational points- The invitational points are cumulative over the entire season, to a maximum of eight- The coaches vote each week.
