

CROSS COUNTRY INVITATIONAL RESULTS

VOL: XXXIII No. 9

for invitationals ending 10/11/08

THE RATINGS:: This is the fourth of the **CCIR RANKINGS** for the 2008 Season. The rankings are based on invitationals only! Ask meet managers to get us the results. We need to have results my Monday in order to make that week's issue. We have had good support from meet managers getting us the results. We actively contact all meet managers to get their results. The panel needs the invitational information to determine their vote. If you do not see a meet listed here please send us the results.

As the season winds down send conference meet results and final standings to CCIR. We will publish scores & the individual winner for the meets and final standings. A reminder for next year that the corresponding Saturday will be a week later on the calander. Check the date of you invitaitonal and with other meets you go to. Please report your date if it will not be the corresponding date (a week later) so we will have your correct date on the CCIR Calander.

The rankings have points awarded according to how a teams finish in the invitational they run in, 10 points for first, 9 for second and so on. Some invitationals are weighted because of the large field and there is a minimum number of teams required in order to earn rating points. The numbers in parentheses indicates the first place coach's votes/first place(s) in invitationals. The final number is the total number of points for the school, including coaches votes and invitational points. The invitational points are cumulative over the entire season, to a maximum of seven, with only one being counted each week. The coaches vote each week.

This will be the last week of the Upper Peninsula rankings as their State Finals is this Saturday. We will include scores next week with the complete results in our final issue. Thanks to John Osler, who is retired now and living in the south, for putting them together. The wonders of the internet & communication.....
