List #3 2010

This is the final listing for **TRACK RESULTS** for the 2010 Season. The next issue will be our State Qualifiers Issue. We have expanded the listings for this issue.

Last week we attempted to go through the listings and indicate those individual that scored last year, or previous years, at the MHSAA Finals. We did not have time to recheck the listing. Several of the area listings are not compiled until the beginning of the week and time constraints prevents a recheck. This that scored has a number before their name, indicating their 2009 place. A "q" means qualified, "@" means additional qualifier. Those with more than one symbol before their name indicated they also scored/qualified before 2009. A "1r" indicates a record.

We tried to indicate returning champions by printing them in bold text. Those individuals that had won an event previously but were not able to defend have a bold "1" before their name.

We received listings from Bay City, Grand Rapids, Flint, Jackson, Lansing, Muskegon, Mt. Pleasant Pt. Huron, Saginaw, Thumb and Traverse City.

This issue is going to the post office for the Wed. 6:00 PM pick-up. Thos that I have an email address for, it will be emailed tonight. I will try go again go through the 209 results & indicated scorers that are not previously indicated.

The **STATE QUALIFIERS** issue will be mailed by Tuesday, after Memorial Day. It will indicated previous scorers, qualifiers, regional winners. And additional comments.

This has been another hectic week as Mary is in Chicago with Wendy. She is still getting over a serious vertigo attack. I am involved with 2 regional meets and then the 2 days of the Detroit Catholic League meet next week, with a grandson's birthday party & hopefully picking up Mary. Thanks to all those that have gotten us results. Have fun at the regional..... jgm

TRACK RESULTS is the only state wide listings by division and we indicate and athletes previous state finals experience.
