

CROSS COUNTRY INVITATIONAL RESULTS

VOL: XLIII Rankings #3

Rankings through 10/6/18

This is the third set rankings for the Michigan High School Cross Country Ratings, compiled by CROSS COUNTRY INVITATIONAL RESULTS (CCIR). We have been doing this for close to 40 years. The rankings are based on invitational meet with a panel of coaches & points a team earns according to their place in invitationals.

Teams are awarded points according to how they finish in the invitationals they run in, 10 points for first, 9 for second and so on. Some invitationals are weighted because of the large field and there is a minimum number of teams required in the invitational in order for a team to earn rating points. The numbers in parentheses indicates the first place coach's votes/first place(s) in invitational meets. In the "others" the number in parenthesis is the number of invitationals won. The final number is the total number of points for the school, including coach's votes and invitational points. The invitational points are cumulative over the entire season, to a maximum of eight, with only one being counted each week. If a school has more than the maximum number for that week of the season, they will only receive the invitational points for the maximum allowed for that week. Total number of invitational wins will be indicated in the parenthesis. Coaches vote each week.

With Portage, Oakland County, Greater Flint, Macomb County & Wayne County there was a lot of head to head competition and a good way to evaluate the teams running against each other. The Greater Lansing is the only large meet left and that will be Saturday. There seem to be more teams this year that have not raced in many invitationals and surprised people at the "bigs." It is hard to evaluate a team on a "1 race" situation. Next week is the last week with a full slate of invitationals as the following week hosts a lot of conference meets & the following week of course are the regional meets.

Lansing Catholic/girls was missing #1, Divine Child was missing #2 both at Portage. No injuries. The girls Oakland County pulled the girls off at the mile mark taking a way to get a good look at several ranked teams.
