The 2 returning individual champions from 2011 are a pair of seniors, **Drake Johnson**/Pioneer in the 110 Hurdles and **Evan Chiplock**/Heritage in the 3200. Drake will be after his 3rd consecutive win in the hurdles this year, he finished 3rd as a freshman in '09. This will make him one of the few 4 time scorers in D1. He is the top seed in both hurdles this year. Evan is the second seed in the 3200 this year. The top seed in the 3200is **Garret Zuk**/Lakeland who was the subject of an article in the Free Press earlier this month talking about how he helped Devin Kimberlin/Walled Lake Northern break 10 minutes in a dual meet. As it turns out Garrett got his top seed in the Milford Regional where a total of 19 runners qualified, the 2 automatic and 17 additional qualifiers. Devin was the 17th & final additional qualifier to come out of the Milford Region with a time of 9:42.8. That Region also had 10 additional qualifiers in the 1600. R9/Brandon had 9 additional qualifiers in the 3200 and 4 in the 1600. Wonder why Southeastern Michigan is the distance hotbed.

Senior **Austin Sanders**/Ypsilanti is the only double scorer to return in D1 this year. He was 3rd in the 100 and 2nd in the 200 and is the top seed in both events for 2012. A pair of sophomores that scored last year as freshmen did not qualify this year as well as the 2 scorers from D2 last year that moved to D1 for 2012.

East Kentwood dominated the 2011 D1 Finals as they ran away with the championship, scoring 72 points. Only 1 & 2 in D4 Boys, Fowler & Pewamo-Westphalia, scored more points in a 2011 Finals. It would have taken a combined points of 2-3-4 to have beaten them last year. Two individual that scored last year return but it will be a new team at the Finals this year as a couple of freshmen qualified. **Saline** has a couple of top seeds, **Steven Bastien**/LJ & the 4x4 and another top 10 seed. They scored second highest points of any regional winner this year. From the same region; **Ypsilanti**, with Austin Sanders/both sprints & **Ann Arbor Pioneer**, with Drake Johnson/hurdles, each have a couple of top seeds and a couple more top 10 seeds. It is interesting to note that several of the top scoring regional winners have hardly any top 10 seeds. Several teams have a few top 10 seeds but no one looks real dominating. It should be a very interesting D1 Finals.

The listings of qualifiers in each events first lists the places of scorers from 2011 that qualified this year. Notations before a name indicates the place of the individual in 2011, 1r) is a record setter, q) indicates a qualified in 2011, @) indicates a 2011 additional qualifier. Multiple notations indicate multiple year scorer/qualifier. @ after an athlete's performance means an additional qualifier. **Regional winners** are in bold. We did not have time to get the grades of all athletes listed.
