There are 4 returning 2011 Lower Peninsula D1 Individual Champions with 6 wins all qualified for the 2012 Finals led by 2 returning double winners. Senior, **Kyra Jefferson/Cass Tech** won both of the sprints. She won the 200 as a freshman, did not score as a sophomore then won again last year, also adding the 100 title. She is the top seed in the 200 & second seed in the 100. Kyra also competed in the World Junior Games last July. **Hannah Meier/Grosse Pte South** repeated her record setting freshman win of the 800 last year with another record win last year. The junior added the 1600 title last season to her resume along with summer competition in the World Youth Games where she finished 9th in the 1500. She is seeded first in both the 800 & 1600 this year. A pair of seniors are the other 2 returning defending champions, **Latipha Cross/Southfield** won the 400 last year in record time and is a top 10 seed. **Laticia Sims/Farmington Harrison** won the 100 Hurdles and is seeded third. **Latipha Cross/Southfield** who won the 400 last year failed to qualify this year.

The 2011 D1 team race was one of the more competitive in several years as only 4 points seperated the top 3 teams. Champion **Grosse Pte. North** won their first ever title on the strength of the Meier twins, Hannah & Haley, 34 points and all of those points again qualified. Ersula Farros is a freshman that has a top 5 seed both the 800 & 1600. Kelsey Schwartz a top 10 seed in the 1600. Could the D1 Championship be won on 2 events, 800 & 1600? The margin maybe with the stick as South is the top seed in the 4x8 and second in the 4x4. They also have a few other individuals qualified.

Cass Tech & Ann Arbor Huron tied for 2nd, 4 points behind champion South last year. Cass Tech returns double champion Kyla Jefferson/sprints with their only other real seed a second in the 4x2. Should the real favorite be Huron with 6 top seeds, a potential of 60 points. Cindy Ofili is the top seed in 3 events, 100 & both hurdles; Maya Long is the top seed in the 400 and second in the 200; with the 4x2 & 4x4 relays being the top seeds. South will win with the long sprint, 800, and distance while Huron will get there with speed, sprints & hurdles. I am a fan of the 4x4 Relay and the event could decide the championship this year and Huron & South enter the race with the top 2 seeds. What a great potential finish!!!!!!!!!!!!!!

Perennial D2 power **Detroit Renaissance** along with **East Lansing** and **Holland** are D2 teams that scored last year that are moving to D1 for 2012. Neither appear to be a factor in D1 this year.

The listings of qualifiers in each events first lists the places of scorers from 2011 that qualified this year. Notations before a name indicates the place of the individual in 2011, 1r) is a record setter, q) indicates a qualified in 2011, @) indicates a 2011 additional qualifier. Multiple notations indicate multiple year scorer/qualifier. @ after an athlete's performance means an additional qualifier. **Regional winners** are in bold. We did not have time to get the grades of all athletes listed.
