

Thank you for everyone that came out this morning and participated in the 11th Annual Gobbler Gallop Trail Run/Walk. Thank you to all of the sponsors that help sponsor the race this year to support the Hawks Running Club. Sorry for the delay in the 5k run/walk we had to delay the youth 1.5 mile run because we still had young runners that were still registering at the time the race was going to start. We want to make sure they were able to register and be able to run the race. The other factor was with the youth race being 1.5 miles it took longer than the normal allotted time for the 1 mile race pushing the 5k race back even farther. We also appreciate your patience and understanding with the modifications we had to do because of the flooded portion of the park. This is something we did not anticipate happening, but we made do with what we had, and we greatly appreciate the open mind's that the runners had with it. We hope to see everyone back next Thanksgiving to participate in the 12th Annual Gobbler Gallop Trail Run/Walk.
